

Mobile Workforce Risk Assessment

Company Name: Waste Efficiency

Site Address: Mobile Work Force

Risk Assessment Reference: WE - Mobile Workers	Date of Assessment: 12/05/2020	Risk Assessor: B Russell
Title: COVID-19 – Mobile Workers	People Involved in Making This Assessment: B Russell	
Task or Process: Risks from Coronavirus	People at Risk: Employees, Contractors, Visitors, Members of the Public	
Date of next review: As guidance changes – possibly daily/weekly		

Hazard (hazard and hazard description): Failure to follow Government policies will lead to the spread of coronavirus infection amongst our workforce and anyone they come into contact with.		
Control Measures (existing):		
<ol style="list-style-type: none"> 1. All Mobile workers are provided gloves, hand sanitiser, sanitiser wipes and face coverings to help protect them and others from exposure to the Coronavirus. 2. All mobile workers will have to read the SSoW 015 – Mobile Workers Covid before commencing work. 3. All employees who come into the office will have to read the SSoW 014 – Head office Covid before being allowed back in the office. 4. The document “COVID-19 A Guide to Work” had been created. This should be read thoroughly and issues to all members of staff. Mobile managers and supervisors should ensure this information is shared with all staff. 5. The Government’s COVID Act and associated Regulations and Orders have set a framework to prevent the spread of the virus. We have developed procedures and arrangements to work within those rules and guidance. 6. Our arrangements and procedures are reviewed daily in the light of additional Government guidance as published at Gov.uk/Coronavirus. 7. We continue to operate because the service we provide falls into the Government's category of essential activities. 8. None of our mobile workforce are in the vulnerable or at risk categories. Where we are aware of this for any of our employees they will be working at home if that is possible. If it not they will be furloughed. 9. Staff with family members in at risk categories or we believe their circumstances to have changed have been instructed to inform their management team without delay. Decisions on home working or furlough in accordance with Government policy are taken on a case by case basis.

--	--	--

Hazard (hazard and hazard description):

Uninformed workforce/Uninformed staff who are not fully aware and understanding of the procedures and arrangements we have put in place to work within Government Policy on essential working could compromise our arrangements and jeopardise the health of others.

Control Measures (existing):

1. Specific procedures and measures to reduce the risk of spreading Coronavirus have been prepared. These are based on NHS, Public Health and Government guidance and instruction. They are updated daily to reflect any changes in the official advice and guidance.
2. Every member of staff has been fully briefed to ensure that they are aware of the hazards and risks and understand the rules and procedures we have put in place.
3. NHS and Public Health warning posters displayed at all our fixed workplaces and printed copies given to mobile workers.
4. We have shared with our customers, by email and or phone, the arrangements we have in place and how we would expect them to cooperate with our staff at their premises.

Further Control Measures Required:	Assigned To:	Due Date:

Hazard (hazard and hazard description):

Contact with customers or clients. Risk of infection being passed from contacts or with contaminated premises and equipment.

Control Measures (existing):

1. Workforce instructed to maintain the advised 2m separation from contacts at all times, wherever possible. If entry to premises is required they are instructed to ask whether anyone has been diagnosed with COVID-19 or has been required to self-isolate, and act accordingly.
2. Where a distance of 2m cannot be achieved a face covering is to be worn that covers the nose and mouth i.e. in enclosed spaces.
3. Workforce instructed to avoid contacts who are coughing, show signs of difficulty in breathing or sweating / fever. If this occurs they are empowered to leave the premises.
4. Workforce instructed to clean their hands frequently, using an alcohol-based hand sanitiser that contains at least 60-95% alcohol, or to wash their hands with soap and water for at least 20 seconds.

5. Workforce instructed not to touch their eyes, nose or mouth, if their hands are not clean.
